

Washington Foundation for the Environment presents:

# THE FOURTH ANNUAL GREAT ENVIRONMENTAL ISSUES SLAM

The battle for hearts and minds takes place:  
Tuesday, April 22nd, 2014 - 6:30 pm  
Miller Community Center, 330 19th Avenue, Seattle  
**FREE ADMISSION!!!**

## THE ACTION

Six schools who include strong environmental instruction in their curriculum will be represented by students making presentations of five minutes in length. The students will select the issue they want to address and will have five minutes to convince us that their particular issue has been presented in the most convincing fashion. Audience members will vote on the most persuasive presentation and the winner will earn a grant of \$1,000 dollars to be used for environmental education by their school. The second place winner will receive \$500 for the same purposes. Come watch the competition and help determine the winner.
